after careful review I am truly "shocked" and dismayed at the apparent
disregard for Government Employees. We have come back to "Gulfstream"
our only means of support of our "union". Just what is
a "union" for? Are we no longer able to have our
brother and sister in our rights to union representation?

I have been a loyal member of Government for almost 30 years.
Not to see us become a "victim" of our past.

Do you speak of Integrity? Where - Integrity? Why?
I urge you to stop this foolishness. The Government is not
broken. What can be fixed to fix it? Under who's quest
should we be going? I think NOT!

Sincerely,

Mar Cignelli
